

Fact Sheet

NT Scheduled Essential Air Services to 30 April 2020

Version Number 1

Purpose

The Northern Territory Government is supporting aviation companies to provide Scheduled Essential Air Services 2020 for the delivery of critical freight and essential personnel to Northern Territory remote communities during the COVID-19 pandemic.

The minimum level of scheduled services is listed below. The schedule is subject to change and aviation companies should be contacted directly for the most up to date schedules, including departure and arrival times and other important travel information.
